Quoting from the Mary Ward School Compass.....

Keeping our focus fixed

The academic session began with a Staff Orientation on 'Creativity' in the class room by Ms. Sonali Lahiri. The Mary Ward School Compass was used as the yardstick to draw up the relevant Action Plan.

The Orientations were held for the Nursery and Class XI parents respectively.

Owning and developing the charism.....

We are always happy to present an edited version of the documentary prepared for the 175 years of Loreto in India. Our parents much appreciated it. As is the Loreto tradition....the Mass of the Holy Spirit was on 25th April, 2019 at St. Mary's Church.

Being as agent of change

The Investiture Ceremony took place after the Holy Spirit Mass, thus, setting the ambience for the newly elected Student Council to take their Oath of Office.

Cultivating values needed now.....

The World Earth Day was held with the theme 'Protect the Species'. Small initiatives like, plantation of saplings and saving resources that would help to decrease pollution were highlighted. We continue with our mission of planting of saplings and promote non-use of plastics on the premises.

The World Book Day was celebrated with an interactive session on the 'Joy of Reading'. Activities such as presenting a story with illustration, identifying movie characters, reading story books from the make-shift library were conducted. A student writes:

Life has been great exciting and hectic with projects assignments and college activities. From the college we had been for outdoor shooting at Indian Telephone Industry (ITI) in Mankapur township of Gonda district of Uttar Pradesh. It was an enriching experience for me. The township is also known as Sanchar Vihar Colony, (March 16th to 20th 2019).

Under the guidance of Mr. Sabu Koshy, Assistance Professor for Audio Visual Communication, we the students prepared questionnaires for the interviews, planned for shooting segments and selected locations for documenting bytes. It was an exciting segment with a lot of scope for being creative.

The first visit was to Chini Mill, Mankapur. This segment was assigned to me, it was our first experience in directing the shots and working in the group. I was fortunate to get to interview the General Manager, the Marketing Manager, the HR and the labour Union leader. It was a great learning as I was in the field.

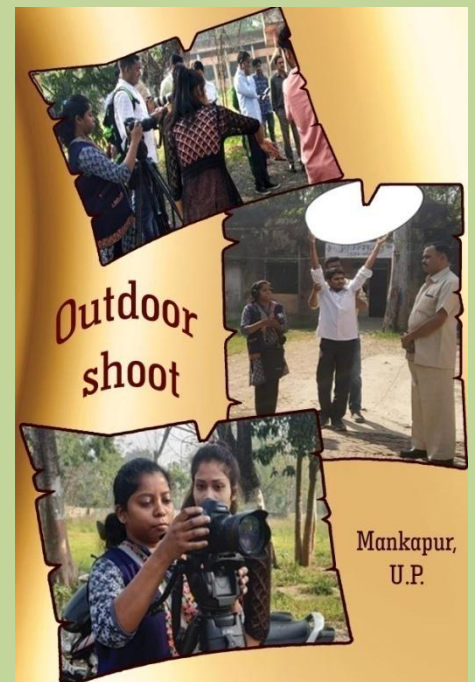

We met the King of Mankapur, Mr Kunwar Singh, who is a former MLA and one of the founding fathers of the ITI. We also got a chance to visit Ayodhya, the birth place of Lord Ram, and do a shooting assignment. Some more important projects are coming on the way. I will be going to Kerala for my internship to Goodness Channel after the Province Assembly.
